

Better people. Better places. Better communities.

Citycare Property is able to offer a range of services to prepare your business to continue to operate safely in a Covid-19 environment.

We can offer you a range of protective measures in line with governmental guidelines. Our large range of in-house trades and technical staff are available to provide practical advice and options for:

- ▶ Enhanced cleaning services for facilities, offices, public spaces
- ▶ Installation of cleaning product dispensers and equipment
- ▶ Mechanical Ventilation services for HVAC systems and heatpumps
- ▶ Specific Covid-19 signs or distancing graphics
- ▶ Installation of protective barriers/ measures such as screens
- ▶ Office alterations or modifications to maintain social distancing
- ▶ Building checks prior to reopening

If your business needs assistance with practical options to enable you to operate safely, get in touch with us now! We would be happy to discuss your individual needs.
